**Summer 2022 series** – the Principal Examiner / Principal moderators reports are now available and we highly recommend you read these carefully ( and your centre reports available on results day ) as they offer helpful observations and commentary on candidates performance this series that could help future learners moving forward even with the new specification.

### 3. Professional Learning

We are delighted to be offering Face to Face full day CPD in the Autumn, these will be expert – led interactive sessions. We are looking forward to seeing you all face to face (or online) and being able to give you feedback on the 2022 series, highlight the good practice we have seen and advise you on delivery, marking of assessments, share resources etc. There is also a 2 hour on- line alternative option for those who prefer this medium or are unable to attend the face-to-face sessions.
