1. Results day

i) Collecting exam results

Candidates must collect their results from their school or college (centre), usually on the published results day.

For the June 2024 series, the publication of results day is from 8:00am on **Thursday 22 August 2024**.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should, therefore, check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concern.

Results must not be divulged to others including local authorities and the media until after 9.30am on the Thursday.

(ii) What to expect

On results day, candidates will normally receive a result slip showing their results (see Appendix 1). If qualifications have been taken with different exam boards, candidates may receive more than one results slip, or the school or college may create one single slip showing all results together.

At this point results are designated as provisional; changes may be made at a later point, for example, following a Review of Moderation.

iii) How are results displayed on a result slip

Language Pathways Qualifications

Results slips will show candidate results for each qualification taken within the series. Results are reported as Pass (P) and will display the size and level of the Qualification i.e. Level 1 award in written French: Personal information.

Candidates who fail to reach the minimum standard for a Pass receive no grade (Q).

Work Welsh/ Cymraeg Gwaith

Results are reported as Pass (P) and will display the size and level of the Qualification.

Candidates who fail to reach the minimum standard for a Pass receive no grade (Q).

iv) Symbols used on a result slip

In addition to grades and marks, results slips may also contain other symbols:

X indicates that a result is not being issued due to a candidate being absent for all components/units. It may also be because a decision has been made not to issue a result. Any subject with an (X) will not appear on the certificate.

This indicator is shown next to the overall grade if a candidate completed work for some, but not all, of the subject's components or units.

2. What to do if a candidate wants to query a result

It is important that candidates discuss any concerns with their school or college, usually an exams officer or teacher, and decide on the best options available.

If it is considered that there may have been an error, an application can be made for

- **Post-results review of moderation** – please note this is not available for individual candidates.

Applications cannot be submitted by internal candidates or parents. The outcome will be issued directly from WJEC to the school or college, who will then pass the information onto candidates.

For further details, please contact pathways@wjec.co.uk.

3. When are certificates available

Certificates will be sent to centres by November.

Candidates should check that their personal details, name and date of birth, are correct on the results slip and inform the Examinations Officer if there are any errors. Exams officers must inform WJEC of errors, in writing, not later than 8 September 2024. If errors are not corrected at this stage, there will be a charge for replacing certificates after they have been issued. Candidates should check the arrangements for receiving their certificate with their school or college.
