

# WELSH BACCALAUREATE SKILLS CHALLENGE CERTIFICATE National/Foundation

## Community Challenge Show Racism the Red Card

**Available for assessment from January 2020**

## PURPOSE

The purpose of the Community Challenge is to develop learners' skills, whilst encouraging learners to identify, develop and participate in opportunities that will benefit the community. During the Community Challenge learners will explicitly develop skills of **Planning and Organisation** and **Personal Effectiveness** and apply them in an appropriate manner.

## BRIEF

Many young people suffer from racism in their daily lives both in and outside school. **Show Racism the Red Card** wants to ensure that all young people understand the negative impact of racism and to ensure that all young people respect others, regardless of their skin colour, religion, nationality or culture.

As an individual member of a team (3 – 6 members) your challenge is to spend **10 hours** running workshops to inform and educate people about Show Racism the Red Card and the importance of anti-racism. It's important that the message of anti-racism is delivered in a fun and informative way, whilst ensuring that all young people feel safe and protected during the workshops.

In preparation you must consider how you develop and extend your knowledge and understanding of the charity **Show Racism the Red Card** and, more broadly, issues around racism. You must plan and organise how you will spend **10 hours** leading a series of workshop sessions with young people in your community ensuring the activities are in an appropriate format.

Coaching structure could be:

- a) Preparation for coaching sessions (2 hours maximum)
- b) Coaching sessions (8 hours)
- c) Feedback

Example of coaching activities:

- a) Preparation of worksheets and area of work
- b) Coaching sessions to include a variety of activities
- c) Provide feedback on how participants can improve and progress

You must keep a record of what, who, where, when and how you have delivered your activity and send your evidence to **Show Racism the Red Card Wales** (to the address provided). You will demonstrate how you can create and manage an action plan when developing opportunities for the community and with the use of feedback can reflect and review your personal performance in planning and carrying out the activity.
