

Newsletter – April 2025

A LEVEL BIOLOGY / CHEMISTRY / PHYSICS

UNIT 5 – PRACTICAL EXAMINATION

The same examiner will mark both the Experimental Tasks and Practical Analysis Tasks for a centre. The exams officer should pair up the Experimental Task and Practical Analysis Task for each candidate and place them in the order of the candidate register. They should then be sent to the examiner as soon as possible after the Practical Analysis Task or by 15 May at the latest.

PROFESSIONAL LEARNING TRAINING COURSES

Materials from all of the professional learning events that have taken place this academic year for GCE Science and Level 3 Medical Science are available on [WJEC Portal](#) (secure website). The materials can be accessed by first selecting 'Resources', then 'Subject-Specific Support Materials inc CPD & Exemplars'.

BLENDED LEARNING, KNOWLEDGE ORGANISERS AND EXAM WALKTHROUGHS

Blended learning packages, exam walkthroughs and knowledge organisers are available. Visit the [Home Page WJEC Educational Resources Website](#).

LEVEL 3 MEDICAL SCIENCE

Our revised qualification in Medical Science is for first teaching from September 2025. The webpage for the new qualification is now available. Visit the [Level 3 AAQ in Medical Science](#) webpage. Training materials from recent Professional Learning events are available on [Portal](#).
