

A LEVEL BIOLOGY / CHEMISTRY / PHYSICS

NEWSLETTER APRIL 2023

UNIT 5 – PRACTICAL EXAMINATION

The same examiner will mark both the Experimental Tasks and Practical Analysis Tasks for a centre. The exams officer should pair up the Experimental Task and Practical Analysis Task for each candidate and place them in the order of the candidate register. They should then be sent to the examiner as soon as possible after the Practical Analysis Task or by 15 May at the latest.

ADVANCE INFORMATION

The advance information for all GCE Science qualifications are on the individual subject web pages.

PROFESSIONAL LEARNING TRAINING COURSES

Materials from the online events that took place in October are now available on the secure website.

REVISION SUPPORT:

ONLINE EXAMINATION REVIEW (OER)

Many examples of candidate responses are available for Biology, Chemistry, Physics and Medical Science they are an excellent revision tool. Visit the [OER website](#). Examples from the summer 2022 series are now available.
