

# WELSH BACCALAUREATE SKILLS CHALLENGE CERTIFICATE National/Foundation

## Community Challenge Social Welfare

**YOUNG LIVES  
vs CANCER  
CLIC SARGENT**

**Cymru**

**Available for assessment from January 2019**

## Supporting CLIC SARGENT

### PURPOSE

The purpose of the Community Challenge is to develop learners' skills, whilst encouraging learners to identify, develop and participate in opportunities that will benefit the community. During the Community Challenge learners will explicitly develop skills of **Planning and Organisation** and **Personal Effectiveness** and apply them in an appropriate manner.

### BRIEF

We all need to be aware of the challenges and opportunities we may meet on a personal level in our local community: school, the local area, the nearest village, town or city. During this Challenge you will focus on real-life concerns and needs through activities which aim to make a difference in the community. You must consider whether you need to develop and extend your skills, knowledge and understanding to be able to successfully meet the needs of the Challenge.

Young lives vs cancer -CLIC Sargent are a charity that supports children and young people and their families from when the doctor says cancer. Today, 12 more children and young people will hear this devastating news. The age of the people we support is from new born babies through to 25 years old and we can continue helping beyond this age if needed. The support that we provide is tailored especially to meet the needs of the young person and their families. We have social workers and nurses who visit the young people in hospital, at home and even in school and we work throughout Wales as well as the rest of the UK. By supporting CLIC Sargent you are joining our fight for young lives against cancer.

Many charities and community organisations rely on public support. Without this support they would not be able to operate and help the people that rely on them.

As an individual or a member of a team (3 – 6 members) you are invited to actively support **CLIC SARGENT** during this assessment. This Challenge is focused on you understanding the work of **CLIC SARGENT** and what opportunities you could plan, organise and then carryout as a **programme of 10 hours**.

When developing your **CLIC SARGENT Support Programme** you will need to consider how you will structure the 10 hours using one of the following options:

#### Option 1

- Promote **CLIC SARGENT** within school/local community (maximum of 1 hour)
- Organise and carryout a fundraising activity (maximum of 3 hours)
- Actively support **CLIC SARGENT** (at least 6 hours)

#### Option 2

- Promote **CLIC SARGENT** within school/local community (maximum of 1 hour)
- Actively support **CLIC SARGENT** (9 hours)

**Example:**

- a) Produce a Display on the charity
- b) Organise and run an event to raise money
- c) Gather clothing donations from local community and sort for distribution

This Challenge will enable you to develop as effective and responsible members of your local community. In completing the Community Challenge you will be able to recognise the contributions you can make towards improving the community in which you live and the benefits this will have for yourself and for others. You will demonstrate how you can create and manage an action plan when developing opportunities for the community and with the use of feedback can reflect and review your personal performance in planning and carrying out the activity.
