## FREQUENTLY ASKED QUESTIONS (FAQs)

We now have available a set of FAQs that are readily available on our website [here](#). Please take the time to read them as they may resolve any questions or queries you may have and also, they will answer other questions and queries that you may find useful.

## CHANGES TO THE LEVEL 1 / 2 ENGINEERING SPECIFICATION

This is a polite reminder that the **600/8645/2 Level 1/2 Vocational Award in Engineering** is coming to an end this year (2022 - 2023). The final series will be summer 2023.

The qualification is being replaced by a new and improved specification set for first teaching September 2022. Details and information for the **603/7019/1 Level 1/2 Vocational Award in Engineering (Technical Award)** can be found [here](#).

## ENGINEERING COURSE COMPANION (PRE-ORDER FORM)

The textbook for the qualification will be available in the near future. We have supplied a link to the [Pre-order form](#).

## SUBMISSIONS FOR UNITS 1 AND 2

**9356 (5799U1) MANUFACTURING ENGINEERING PRODUCTS**

**9357 (5799U2) DESIGNING ENGINEERING PRODUCTS**

All marks need to be submitted via the Internal Assessment Mark Input System (IAMIS) and sample requests uploaded no later than the 5<sup>th</sup> May 2023. Submissions must be in the form of 2 files per candidate named accordingly.

1 x Administration file named 'Candidate name + Admin'.

- Candidate declaration
- Candidate Time Record Sheet
- Assessment Record Sheets
- Observation Record

1 x Evidence file named 'Candidate name + Evidence'.

- All candidate work and information used to make the assessment judgements and decisions.

We will be creating an NEA E-Submission upload guide specifically for this qualification very shortly.

## RECRUITMENT

We are currently looking to grow our engineering team with the release of this new qualification. We are actively recruiting and seeking examiners and moderators. Please click [here](#) for more information.

## ASSESSMENT BRIEFS FOR 2024

We have taken on board the feedback with regards to the challenges involved with the September release of new briefs. Therefore, we will be releasing the new assessment briefs for 2024 in June 2023.

The briefs that will be available include:

- Unit 1 Brief (for assessment in 2024)
- Unit 2 Brief linked to the new Unit 1 Brief (for assessment in 2024)
- Unit 2 Brief linked to the previous Unit 1 Brief [hobby vice] (for assessment in 2024)

**Please ensure that you read the front cover of the assessment briefs. They will clearly state the year that the assessment is intended for.**

## NEXT NEWSLETTER

The next newsletter will be available after the summer holidays 2023. In the meantime, if you have any queries on anything to do with WJEC Level 1 / 2 Engineering please get in touch.
