

Further learner guidance for Unit 1 external assessment.

- Reading time may be permitted as indicated on the examination paper. This is additional time to the duration of the exam. This time can only be used for reading through the questions on the exam paper, and prioritising your time. However you may write notes or pointers on your examination paper during this reading time but not within any answer sections. If you have any queries about any of the questions you should ask them during reading time. Invigilators will inform you of the start and finish of reading time and when you may begin writing. If you begin writing before permitted, this may be considered to be academic misconduct.
