ITEM LEVEL DATA – UNIT 3

For each candidate, you can access the breakdown of marks for each question and compare this to all candidates, by going to item level data on [Portal](#) and following the steps below.
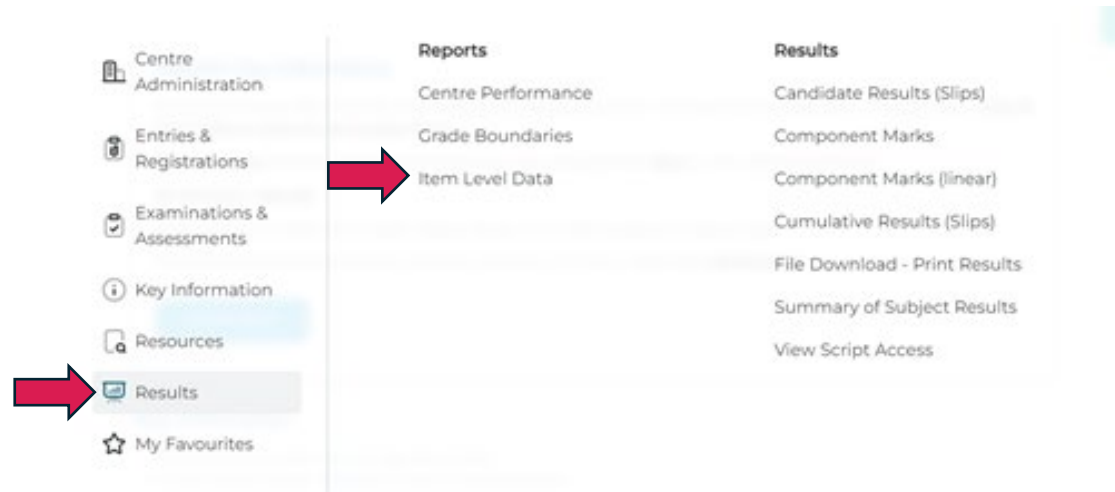

Once you have clicked on item level data, you will be able to filter by subject, then scroll through the candidates or search directly for a candidate. If you are searching for a candidate, then remember for vocational qualifications their candidate number starts with a 4, so you will need to add that in front of what you have from your centre.

REPORTS

Moderator Reports

For internally assessed units (Units 1 and 2) you will be able to access your moderator report by going to Portal and following the steps below. Please note that as Unit 3 is an externally assessed unit, there is no individual centre report.

Portal → **All Services** → **Examinations and Assessments** → **Internal Assessment Mark/Outcomes** → **Series Table**
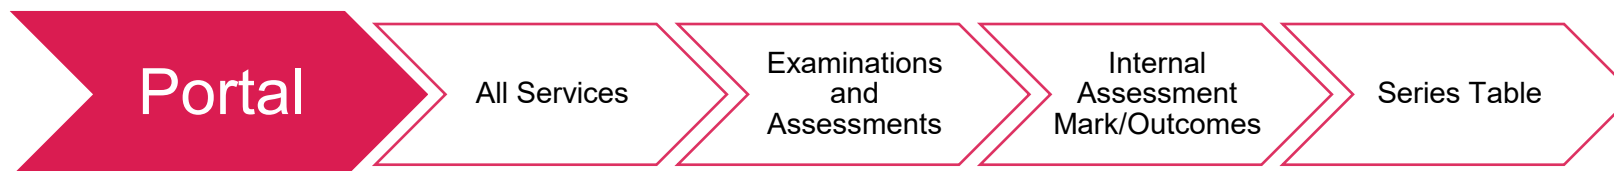

In the series table, click the series to expand and reveal list of internally assessed components. Click the adjacent MODERATOR REPORT button.

Principal Examiners' Report

Each series, you will be able to access a report by the Principal Moderators / Examiners'. These will give an overview of the series, including areas of good practice and points for development. They can be accessed on the main subject webpage, under key documents.
