CHANGES TO THE LEVEL 1/2 - ENGINEERING SPECIFICATION

This is a polite reminder that the **600/8645/2 - Level 1/2 Vocational Award in Engineering** is coming to an end this year (2022 - 2023). The final series will be summer 2023.

The qualification is being replaced by a new and improved specification set for first teaching September 2022. You can access a range of materials to support you with delivery including [Sample Assessment Materials](#), [Guidance for Teaching](#), and [Options Evening leaflets](#).

Further details and information for the 603/7019/1 - Level 1/2 Vocational Award in Engineering (Technical Award) can be found [here](#).

NEA ASSESSMENT BRIEFS FOR 2022-2023

The NEA assessment briefs for units 1 and 2 for 2022 - 2023 are now available on the secure website in the resources area: [here](#)

NEXT NEWSLETTER

The next newsletter will be sent out in January 2023. In the meantime, if you have any queries on anything to do with WJEC Level 1/2 Engineering please get in touch.
