## Level 1/2 Vocational Award ICT

### Upcoming Professional Learning Opportunities

We will be running a face to face event between October 9-13<sup>th</sup>.

The focus of the course will be on course content, resources and analysis of candidate responses to both the Unit 1 examination questions and the Unit 2 NEA in conjunction with application of the mark scheme.

#### Outcomes for delegates:

- An opportunity to review the characteristics of successful performance and where performance could be improved.
- Insight for practitioners to support teaching and learning.
- Understand key messages from the Principal Examiners' report, to help learners with exam preparation, to avoid pitfalls and add to their revision toolbox.
- An opportunity to put questions to our subject experts.

### Upcoming Resources

**Unit 2 Book** – An ebook for the Unit 2 NEA is scheduled for release early 2024 – **this will be free** to download and will feature descriptions of the skills required and their application in the Unit 2 NEA.

**Unit 1 Book** – This was released in May, and is proving very popular. It covers all topic areas in the Unit 1 course and is written in a learner-friendly style.
