Physics

Setting up instructions - **Wednesday 26 April**

Experimental Task: **Day 1 -- Wednesday 3 May / Day 2 - Thursday 4 May**

Practical Analysis Task - **Friday 5 May**

Chemistry

Setting up instructions - **Wednesday 3 May**

Experimental Task: **Day 1 -- Wednesday 10 May / Day 2 - Thursday 11 May**

Practical Analysis Task - **Friday 12 May**

ADVANCE INFORMATION

Summaries of the advance information for all GCE Science qualifications are on the individual subject web pages. The full versions of the advance information will be released on Monday 6 February.

PROFESSIONAL LEARNING TRAINING COURSES

Materials from the online events that took place in October are now available on the secure website.

ONLINE EXAMINATION REVIEW (OER)

Many examples of candidate responses are available for Biology, Chemistry and Physics, they are an excellent revision tool. Visit the [OER website](#). Examples from the summer 2022 series are now available.

BLENDING LEARNING AND KNOWLEDGE ORGANISERS

Blended learning packages, exam walkthroughs and knowledge organisers are available. Visit the [Home Page WJEC Educational Resources Website](#).

LEVEL 3 MEDICAL SCIENCE

We offer [this qualification](#) as an alternative to the A level Sciences. If you require any information on the qualification then please email science@wjec.co.uk.

A free, online professional learning event is planned for Thursday 26 January from 3.30 to 5.30 pm. The session will focus on the internally assessed units (2, 3 and 4). The session will be suitable for new centres and centres that already deliver the Medical Science qualification. Booking can be made here - [Medical Science training](#).
